Mr. R. M. Bissell

Director of Communications

Exploitation of System #2

This belated memorandum is intended to recall the conversations which took place in [redacted] office on 13 September, at which [redacted] were present as well as myself. It is my understanding of the sense of the discussion that you asked, and [redacted] and I agreed, that I undertake the evaluation of System #2 for Agency employment and arrange for the exploitation of the technique or equipment by the U. S. Government, particularly military services. The matter of preserving the essential security of your project in this endeavor was also discussed. For record purposes it would be appreciated if you would confirm the above understanding.
